RAIN OR SHINE, IT'S PICNIC TIME

*and May 31st will be a perfect day for a picnic,
games, and some talented entertainment.*

Do you like music, food and fun? Well then you'll love this: the UCW and Sunday School groups of Valois United Church have planned an entertaining **picnic after church on May 31st**. Sandwiches, snacks, desserts and games are all part of this festive

event. You'll even be treated to some wonderful **entertainment**, courtesy of talented congregation members. Don't forget to set aside an extra hour or so after church so that you can help us say "thank you" to Reverend Kent and his family, before they leave us in June.

Thank you to everyone who participated in Easter Sunday's beautiful service. It was an entertaining walk through the historic events of this celebration.

Thank you to Jim Lindsay for putting fingers to organ keys once again as our guest organist while choir director Judy Hung was away.

Thank you to the Sunday School for such a fun and lively children's service, and to the senior choir and adult volunteers involved. **Special thanks** to Leo Collard for sharing his experiences during his time spent visiting and working at a Vietnamese orphanage.

Thank you to Ed Harvey and everyone who has worked so hard on our beautiful gardens and grounds – you must take a stroll and see!
